

WARDENS COURSE

This course is designed for people who are Wardens in their workplace. Having personnel attend this course can support your organisation in meeting legislative requirements such as the *Workplace Health and Safety Regulations 1998*.

This course is structured in accordance with Australian Standards: Emergency Control Organisation and Procedures in Buildings (AS 3745–2002) and Emergency Response for Health Care Facilities (AS 4083 – 1997). The unit of competence is *Operate as part of an emergency control organisation PUAWER005B*.

Content

- Roles & responsibilities of wardens
- Preparing for emergencies
- Evacuation procedures
- Communicating in emergencies

The course is conducted in a classroom environment and is information based with interactive activities and opportunities, incorporating case studies, video presentation and group discussion.

DURATION	4 hours
VENUE	Ulverstone, Launceston, Hobart *
COST	\$175 per participant **
